- **Controls:** Touch Screen Control Panel with built-in FM Radio and Bluetooth connection.
- **Audio:** Built-in performance speakers.
- **Glass Panels:** 2 stationary front tempered glass panels with a glass door.
- **Accessories:** Sandglass, bucket, scoop, stainless steel hinge, and handle.
- **Sauna Stove:** Harvia 8KW Traditional Sauna Stove with built-in controls.

Electrical Requirements:

- Stove: 240V / 40AMP.
- Lights and Music Control: 120V / 15AMP. *(Consult a certified electrician for installation.)*

Dimensions:

- Exterior (WDH): 79" x 72" x 83".
- Interior (WDH): 75" x 68" x 77".
- Weight: Assembled – 800 lbs; Shipping – 900 lbs.

Advanced Technology:

- **8000 Series Control Panel:** Stylish and easy-to-use dual control panels.
- **8000 Series ChromoTherapy Lighting System:** Features advanced chromotherapy benefits.
- **8000 Series Near Zero PureTech Heaters:**
 - 300W Heater (Main Unit).
 - 200W Heater (Below Bench).
 - Low EMF technology ensures safety while maintaining effective heat therapy.

Health Benefits:

- **Detoxification:** Removes impurities such as cholesterol and heavy metals.
- **Pain Relief:** Reduces joint stiffness and muscle pain.
- **Circulation Boost:** Increases oxygen flow and circulation.
- **Relaxation:** Reduces stress, fatigue, and blood sugar levels.
- **Skin Improvement:** Rejuvenates and clears the skin.
- **Immune Boost:** Strengthens immune system functionality.

Warranty Information:

- **Limited Lifetime Warranty:** Covers wood, structure, heating elements, and electronics.
- **Indoor Use Only:** Placing the sauna outdoors will void the warranty. Damages from outdoor exposure are not covered.

Golden Designs "Engelberg Edition" 6 Person Traditional Steam Sauna

Material and Design:

- Constructed with **Pacific Premium Clear Cedar wood**, ensuring durability and a luxurious aesthetic.

Features:

- **Lighting:** Interior Chromotherapy lighting system (Red Light Therapy) and interior backrest with accent lighting.
- **Audio and Controls:** Touch Screen Control Panel with built-in FM Radio and Bluetooth connection.
- **Audio System:** Built-in performance speakers for an enhanced experience.
- **Accessories:** Includes sandglass, bucket, and scoop for traditional sauna usage.
- **Stainless Steel Components:** Durable hinge and handle for the door and other fittings.
- **Heating System:** Equipped with a Harvia 8KW Traditional Sauna Stove with built-in controls for reliable and consistent heat.

Electrical Requirements:

- Stove: 240V / 40AMP.
- Lighting and Music Controls: 120V / 15AMP. (*Consult a certified electrician for installation.*)

Capacity and Dimensions:

- Accommodates up to 6 people.
- **Exterior Dimensions (WDH):** 61" x 70" x 75".
- **Interior Dimensions (WDH):** 57" x 65" x 71".

Benefits:

- Offers a relaxing and rejuvenating sauna experience with advanced Chromotherapy lighting for enhanced wellness benefits.
- Ideal for group use in gyms, spas, or home setups, providing ample space for comfort and social interaction.

Golden Designs "Klosters" 6 Person Barrel Traditional Sauna

Design and Materials:

- Crafted from **Pacific Premium Cedar wood**, providing durability, a natural aesthetic, and resistance to outdoor elements.
- Unique **barrel shape** maximizes usable space while minimizing excess cubic feet, allowing for faster and more efficient heating.

Features:

- **Capacity:** Comfortably accommodates up to 6 people, making it perfect for social or family use.
- **Lighting:** Includes Red Light Therapy and accent lighting on the interior backrest for enhanced relaxation.
- **Accessories:** Comes with sandglass, thermometer, bucket, and scoop for a complete sauna experience.
- **Durable Components:** Stainless steel hinge and handle for longevity and aesthetic appeal.
- **Heating System:** Equipped with a Harvia "WALL" 8KW Traditional Sauna Stove with built-in controls for consistent heat and ease of use.

Electrical Requirements:

- Stove: 240V / 40AMP.
- Lights and Music Controls: 120V / 15AMP. (*Consult a certified electrician for installation.*)

Dimensions and Weight:

- **Assembled Dimensions (W x D x H):** 75" x 91" x 80".
- **Shipping Dimensions:**
 - With Stove: 93" x 45" x 38".
 - Without Stove: 93" x 45" x 25".
- **Weight:**
 - Assembled: 548 lbs.
 - Shipping: 785 lbs (with stove) / 705 lbs (without stove).

Benefits:

- **Outdoor Compatibility:** Designed to enhance backyard patios or outdoor spaces, creating a tranquil and luxurious retreat.
- **Energy Efficiency:** The barrel design minimizes cubic footage, reducing heating time and energy consumption.
- **Relaxation and Wellness:** Combines traditional sauna benefits with modern features like Red Light Therapy to promote relaxation and health.

Barrel Plunge – Sustainable Composite and Stainless Steel

Liner Options:

- Sustainable Composite
- Stainless Steel
- Ultra Stainless Steel

- Standard Stainless Steel
- Standard Ultra Stainless Steel
- XL Stainless Steel

Chiller Options:

- .6HP Cooler-Heating System
- .6HP Cooler-Titanium Heating System
- .8HP Cooler Heating System
- .8HP Cooler-Titanium Heating System
- 1HP Cooler Heating System
- 1HP Cooler-Titanium Heating System

Options and Dimensions:

Cuboid Standard:

- **Height:** 31.5 inches
- **Length:** 50 inches
- **Width:** 32.5 inches
- **Weight (Empty): 250 lbs**
- **Weight (Filled): 900 lbs**
- **Recommended Size:** Suitable for individuals **up to 6'4"** in height.

Cuboid XL:

- **Height:** 31.5 inches
- **Length:** 55 inches
- **Width:** 32.5 inches
- **Weight (Empty): 300 lbs**
- **Weight (Filled): 1,000 lbs**
- **Recommended Size:** Suitable for individuals **up to 6'4"** in height.

Dynamic Cold Therapy

The **Cuboid Cold Plunge** delivers an unparalleled cold therapy experience, featuring **powerful cooling and heating capabilities**. Built with a stainless steel interior and a sleek black exterior finish, it provides maximum durability and an elegant, modern look. The advanced **WiFi-enabled app control** allows users to set and manage water temperature effortlessly.

Wide Range of Benefits

- **Muscle Recovery:** Reduces inflammation, swelling, and muscle soreness.

- **Circulation Boost:** Enhances blood flow for improved recovery and health.
- **Energy and Focus:** Cold therapy improves mental clarity, focus, and overall well-being.
- **Immune Support:** Regular cold plunges help strengthen the immune system and improve resilience.

Modern and Durable Construction

Crafted with **stainless steel** for long-term durability, the Cuboid Cold Plunge is perfect for gyms, recovery centers, or personal wellness spaces. The ergonomic design ensures maximum comfort, while the **filtration and ozone sanitation systems** maintain clean, hygienic water at all times.

Features:

- **WiFi and App Controlled:** Adjust and monitor water temperature remotely.
- **Efficient Filtration:** Includes a **3-stage filtration system** with ozone sanitation for clean water.
- **Powerful Cooling and Heating:** Provides precise temperature control for an optimal cold plunge experience.
- **Premium Build:** Stainless steel construction ensures strength and durability.

Inflatable Plunge – Round Spa

Size Options:

1. 1 Person Oval
2. 1-2 Person Round

Chiller Options:

- .6HP Cooler-Heating System
- .6HP Cooler-Titanium Heating System
- .8HP Cooler Heating System
- .8HP Cooler-Titanium Heating System
- 1HP Cooler Heating System
- 1HP Cooler-Titanium Heating System

Specifications:

- **Dimensions:** 40" L x 28" H
- **Weight (Empty):** 40 lbs
- **Water Weight:** 850 lbs
- **Size Recommendation:** Suitable for persons **6'4" and over**.
- **Material:** Military-grade paddle board equivalent.

Features:

- **Durable Design:** Made from strong PVC and military-grade materials, ensuring puncture resistance and long-lasting use.
- **Portable and Easy to Set Up:** Includes an anti-slip mat, manual pump for inflation, and a carry bag for transport.
- **Insulated for Better Results:** Maintains water temperature efficiently to enhance cold therapy sessions.
- **Spacious:** Designed to comfortably fit taller individuals for a relaxing experience.

Barrel Plunge – Oval Spa

Specifications:

- **Dimensions:** 52" L x 32" W x 30" H
- **Weight (Empty):** 40 lbs
- **Water Weight:** 850 lbs
- **Size Recommendation:** Suitable for persons **6'4" and over**.
- **Material:** Military-grade paddle board equivalent.

Features:

- **Durability and Portability:** Crafted with puncture-resistant, insulated materials for long-term use indoors or outdoors.
- **Easy Setup:** Includes an anti-slip mat, manual pump for inflation, and carry bag for convenience.
- **Spacious Design:** Its oval shape offers a comfortable fit while ensuring ample water volume for effective therapy.
- **Lightweight:** Despite its large capacity, it remains portable and easy to set up anywhere.

Benefits of Both Plunges:

- **Muscle Recovery:** Reduces swelling, inflammation, and muscle soreness post-exercise.
- **Enhanced Circulation:** Boosts blood flow for quicker recovery and better overall health.
- **Portable Cold Therapy:** Easy to transport and set up for use at home, in gyms, or outdoors.
- **Mental and Physical Benefits:** Promotes relaxation, reduces stress, and improves energy levels.
